Excellent nurses with quality and Expertise

About Us

Universal College and School of Nursing run by the Congregation of the Sons of the Immaculate Conception was established with the aim of providing quality education and training to individuals in the field of Nursing. Inspired by the Founder Blessed Luigi Maria Monti, the institute is committed to the care of the sick and to the education of the orphaned, and needy youth. The Health Care programme motivates the students to excel in the field of nursing care. The Management of the Universal Education Academy aims at preparing nurses with quality and excellence to meet the challenges of Health Care. The institution promotes Integral development of the students with special emphasis on spiritual, intellectual, psychological, moral and cultural aspects. We focus on preparing students for maximum professional effectiveness throughout their career.

Universal College of Nursing takes pride of being the first Nursing institute in Bangalore that works in Collaboration with international Nursing College and Research Centers. The College is located in the heart of Bangalore city with a serene atmosphere. It provides the students a favourable environment for learning.

Message

It gives me immense joy and pleasure to introduce Universal School & College of Nursing. The institution represents the Healthcare Ministry of the Congregation all over the World. The goal of this mission is to offer to the youth best opportunities for their integral growth. we have experienced and committed staff with the challenging academic curriculum and modern infrastructure.

Fr. George Puramadam CFIC
Provincial Superior

The mission of the Congregation to take care of the sick is the leading force behind running of this Nursing College. The standard and quality we offer at the institution will prepare nurses to be disciplined and experienced in the field of health care. At Universal Nursing College we provide every student the opportunity to excel in the field of Nursing.
